INSURANCE

We are proud of our Saskatchewan roots.

Our team at Harvard Western Insurance has over 110 years of experience selling insurance in Saskatchewan. Originally operating under the name McCallum Hill and Company, our organization has grown over the years through amalgamations with Cooks Insurance, Western Financial Group, Harvard Developments Inc. and Shenher Insurance and Financial Services. We employ over 30 licensed brokers who have access to an extensive range of policies offered by many of the major property and casualty insurance companies.

Harvard Western Insurance offers home insurance to protect personal property, business insurance services and risk management, farm and hail insurance for farming operation, automobile insurance services for personal and commercial vehicles, Life, Health & Living Benefit products, and many other insurance services to suit our clients needs.

our vision

Harvard Western Insurance is committed to being the first choice for insurance protection for Saskatchewan families and businesses.
